

4TH ANNUAL BIG SHOT CONTEST

RULES:

Registration is \$20.00 per hunter. Forms available in store, on Facebook, and at blueribboncountrystore.com.

All participants must register for the Blue Ribbon Country Store Big Shot Contest at least 24 hours before harvesting an animal in order to be eligible for the contest.

All registered hunters must have a valid hunting license and comply with Texas Parks & Wildlife regulations.

Registered youth entries must be 16 years old or younger at the close of the season, January 17, 2021. This is for fun, y'all! Measuring will be loosely based on the Boone and Crockett system; score sheets available at Blue Ribbon Country Store. Take a picture of the deer and tag, measure it yourself, fill out the form, field dress or cape, then bring it to Blue Ribbon within 48 hours for verification. Scoring verification will take place between 8:00 AM and 6:00 PM with a final deadline of January 17, 2021.

Any registered hunter suspected of cheating, poaching, or other sketchy conduct will be field dressed and mounted.... Or worse!

In the event a registered hunter is unable to bring their animal to Blue Ribbon Country Store to be verified, score sheets from a TBGA scorer will be accepted. Score sheet must be submitted within 7 days of harvest. All score sheets and photographs of registered entrants and their animals become property of Blue Ribbon Country Store and may be used for future promotions, advertisements, and/or target practice.

Blue Ribbon Country Store may substitute prizes of equal or greater value.

You have until February 1, 2021, to claim your prize or have it mailed to you at your expense.

Proceeds from the Big Shot Contest will benefit hunter education.
